## DOG/PUPPY APPLICATION FORM

For many puppy applicants this may be your first dog, or at least the first one you've filled out an application for – don't worry! This is our chance to get to know you and your family, and understand your needs and desires you are looking for in a puppy. If you don't know the answer to a question, please just say "Don't Know". Some people have very specific concerns and expectations, and others do not: there are no "right" answers.

Ultimately, this may seem lengthy, but we are trying to get an idea of what type of puppy will be the best fit for you. We are committing to a lengthy relationship with you and your family, and we want to make sure it will work out the best for everyone involved; **especially the puppy**. Thanks for taking the time to answer honestly and thoughtfully.
